

 CI Plus LLP		Change Number	043
Title	CICAM Licensee Specification update		
Summary	Update to CICAM Licensee Specification v2.1 specification. A CICAM shall support the revocation for CI Plus LLP service operator for each Root of Trust supported by the CICAM.		

1.	Date of Notice	14/11/2017	
	Publication Date	14/11/2017	
	Effective Date	14/11/2017	
	Directly Affected Documents		
	CICAM Licensee Specification version 2.1		
	Detailed Change Description		
	The CICAM Licensee Specification v2.2 has been updated with regards to the introduction of the CI Plus 2nd Root of Trust. The Specification indicates the required signature method for revocation materials issued from the CI Plus 2nd Root of Trust and makes it mandatory for a CICAM to support the revocation for CI Plus LLP service operator for each Root of Trust supported by the CICAM.		
2.	CI Plus LLP Change Request Approval/Confirmation:
