Detailed Change Description			
<p>With the introduction of the CI Plus 2nd Root of Trust, a Registered Device Type can support both CI Plus Root of Trust and CI Plus 2nd Root of Trust. A device corresponding to such Device Type shall be provisioned with a Key and a Digital Certificate for both Root of Trust. The purpose of this Change Notice is to specify the pricing of batches of Key and Device Digital Certificates for such Device Type.</p> <p>The subsection 3.0 of the Exhibit I shall be amended as follows:</p>			
Item	Total Cost to Licensee		
Cost for batch of 10,000 sets of Key pair and Device Digital Certificate pair, based on annual cumulative certificate volumes, starting from first of January each year.	1 ~ 50 batches	€551/ 10k batch	
	51 ~ 100 batches	€522 / 10k batch	
	> 100 batches	€464 / 10k batch	
<p>Note: A Key pair and a Digital Certificate pair is used by a Device Type supporting the two Roots of Trust as defined in the CI Plus Specification.</p> <p>Note: From 2020 onwards, CI Plus Device registration will be permitted with only CI Plus ECP Keys. The price of single CI Plus ECP Keys will be the same as the single CI Plus Keys.</p>
